ART IS ESSENTIAL TO YOUR QUALITY OF LIFE!

The GFWC Arts Community Service Program encourages members to promote and support arts activities in all communities. It is designed to inspire clubwomen. Create programs and projects that include music, dance, drama, theatre, and other arts-related areas, both traditional and innovative. The artistic experience can be outward reaching or for inner satisfaction.

There are countless ways to incorporate arts activities. Below is a comprehensive list of ideas on how clubs may support the Arts Community Service Program.

GFWC PARTNERSHIPS

GFWC partners are the organizations whom GFWC has established a formal relationship and mutual understanding. Our partners offer unique and customized services: materials, speakers, kits, and/or additional information specifically designed for GFWC clubs. They are aware of GFWC clubs' specific needs, our organizational structure, and have a signed Memorandum of Understanding with GFWC.

We are continually working to develop partnerships with organizations whose missions and scope of work are germane to GFWC. Look for updates from the Arts Community Service Program Chairman, in *News & Notes*, *GFWC Clubwoman Magazine*, and online at www.GFWC.org.

To ensure that donations to GFWC partner organizations at the individual, club, district, or state level, are reflected toward GFWC's collective impact, write GFWC in the memo line on your donation check.

GFWC COMMUNITY SERVICE PROJECTS

All programs and projects that relate to the Arts should be reported here, whether they are club initiated, involve other members of the community, other organizations or work with any GFWC partners. .

GFWC Tifton Twentieth Century Library Club (Georgia) created nine 24" x 48" canvas boards holding over 400 photographs in a collage honoring women in their community to be displayed at a local museum in early 2014. Included in the collage are newspaper clippings, documents, and unique art pieces created by high school students and focusing on women of the community

Partner with the Chamber of Commerce, local businesses and homeowners to spruce up Main Street. One club's members assisted the various stakeholders in painting, decorating and generally sprucing up the store fronts and entrances to homes along the main street, and awarded prizes for the best decorations.

Turn an ordinary park into an outdoor art landscape. Partner with the city and professional sculptors to place pieces throughout the local park; around bends, under trees, nestled among the flowers.
